

DB-310

GRINDING PROFESSIONAL USE

Professional grinding and polishing machine, suitable to work with all types of diamond and conventional abrasives, from heavy grinding jobs in marble, terrazzo, granite and concrete, to last finishing steps with diamond resin abrasives. Its design makes it extremely comfortable while working, as well as easily transportable thanks to its innovative design and removable water tank. Polishing head regulable in working angle and pressure head, with placement for additional weights.

Size: 97x50x107cm

Price: 2100.-€
